The Mini Page

Starting Tuesday, August 3! *The Mini Page* will also run in *The Intelligencer*!

Teachers

Appearing in over 500 newspapers weekly, *The Mini Page* is loved by children, parents, teachers and anyone who wants to learn a little more while having a lot of fun. *The Mini Page* will run every Tuesday.

This special full page features puzzles, connect the dots, recipes, drawings, pictures, and information to help your students learn about a new topic every week.

Share the *Mini Page* with your students by ordering a weekly set of classroom newspapers through the NIE Sponsorship Program. Continue to use the newspapers for other in-class activities throughout the week or at the end of the day send the newspapers home with your students for the whole family to enjoy. The newspapers are offered through the NIE Sponsorship Program. There is no charge to the teachers or the school.

*Order before September 3 and receive our primary level coloring and activity guide, *Black and White and Read All Over*. Visually engage young readers with coloring pages and fun animal characters that explain a day in the life of a newspaper.
